

My Deer

Stitch Count: H 141 x W 115

An original design inspired by an amazing antique sampler in my collection. The model is stitched using one strand of silk over two linen threads. A conversion to DMC is listed below.

Legend:

R&R 40 count 18th Century Stone
 This linen is no longer available but R&R Vintage Homespun would be a good substitution.

Thread: Needlepoint Inc Silks
