*When I purchased Anne,  
I loved the crazy house.  
After receiving her, I  
found so much more to  
love. The coffee cup (girl  
after my own heart!),  
two "fire hydrants" for  
the dogs and the urn of  
plants above the house.  
Thank you Anne for  
your quirky sampler!  
And by the way, ask me  
about the coffee cup and  
the sweet story of my  
Mom.*
